

# The Music is Everything

© Ambrose, Foreman, Gyory, Johnston, & Lange

**V 1:** Can you hear it; do you feel it running through your veins?  
I can hear it, I can feel it but I can't explain  
Do you know that there's a place where we can all be free?  
Never know what you'll discover if you come with me

**Pre chorus:** All you need to do  
Is open up your mind and shout it louder

**Chorus:** Hey, Hey, the music is everything  
Without a word, you can say anything  
Hey, Hey, the music is everything  
Whatever you imagine, take me there

**V 2:** When you start it's never easy, I can show you how  
It's a chance for us to find it all together, now  
Do you know that there's a rhythm that we like to play  
And there's a crazy little song stays in your head all day

**Pre Ch:** All you need to do  
Is open up your mind and shout it louder

**Chorus:** Hey, Hey, the music is everything  
Without a word, you can say anything  
Hey, Hey, the music is everything  
Whatever you imagine, take me there

**Bridge:** If you have a story hidden inside, play a melody and bring it to life  
I (I) I (I) want you to count me in (2, 3, 4)  
I (I) I (I) want you to count me in (2, 3, 4)

**Pre Ch:** All you need to do  
Is open up your mind and shout it louder

**Chorus:** Hey, Hey, the music is everything  
Without a word, you can say anything  
Hey, Hey, the music is everything  
Whatever you imagine, take me there

Hey, Hey, the music is everything  
Without a word, you can say anything  
Hey, Hey, the music is everything  
Whatever you imagine, take me there
